The Top of The Hill B&B is the oldest home in the village and your hostess Shelley Craig is the seventh generation to live in the house built by the village founder Charles Haines.

The home has been completely renovated, offers three rooms and is fully air-conditioned. In the summer you can just sit back and relax by the pool or by the fire place in the winter.

Your hosts Shelley and Steve will provide you with a full country style breakfast, with fresh seasonal fruits, home baking and farm fresh eggs. We also cater to special dietary requests.
